

Northern New England 9-11 Truth Presents:  
**An Afternoon of Truth and Activism with  
Webster G. Tarpley**

=====  
**Saturday, Jan. 20, 2007, 1- 5:30pm**  
=====

**At the Friends Meeting House, 141 Central Ave., Dover, NH – Admission Free**

Noted author Webster Tarpley will be making a special presentation examining the current political party realignment taking place in America and whether this transition will take us toward a new progressive phase or a more

fascist and draconian society. Mr. Tarpley will also address the war and impending collapse of US forces in Iraq, the dollar collapse, the mounting evidence of 9-11 crimes, and the dangers of another “terrorist” attack.

He will lead the day’s activities for guests to be introduced to the concept of creating “Truth Squads,” designed to be a challenging presence to presidential candidates as they campaign in the historically significant New Hampshire primary. This is open to anyone who wants to be a part of the evolving changes in the political scene.

Webster Griffin Tarpley is our most incisive critic of Anglo-American hegemony. As an activist historian he is best known for his book *George Bush: The Unauthorized Biography* (1992), a masterpiece of research which is still must reading, and *911 Synthetic Terror: Made in the USA, Surviving the Cataclysm, and Against Oligarchy*. He is host of World Crisis Radio on RBN-Live.com. He is a 9/11 Truth Scholar and activist; AB Princeton 1966, summa cum laude and Phi Beta Kappa; Fulbright Scholar at University of Turin, Italy; and MA in humanities from Skidmore College. He is fluent in Italian, German, French, Latin and Russian. A decades-long expert on international terrorism, his 1978 study for the Italian parliament “Chi ha ucciso Aldo Moro?” (Who Killed Aldo Moro?) broke open the ownership of the “Red Brigades” by NATO’s clandestine “stay-behind” networks.

Additional speakers in the program will address the issues of impeachment, ending the war in Iraq, and hands on methods of challenging candidates on pertinent topics and issues.

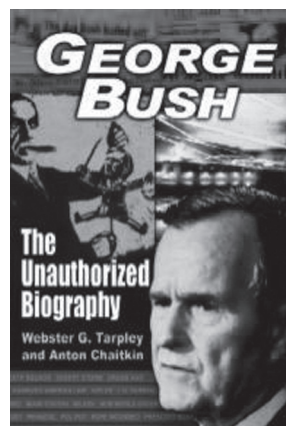

Sponsored by Northern New England 9-11 Truth,
